

# Lab Assignment # 1 (CSIT 105, Dr. Singh: Section: 01)

Due Date: May 29, 2009

Total Points = 50

Your Name: \_\_\_\_\_

Date submitted: \_\_\_\_\_

## Chapter 1 Introduction to Programming and Visual Basic 2005

**Important Note:** I will not accept any assignment that is late more than three calendar days. Incomplete assignment will not be graded.

**Hand in:** This cover sheet along with printouts of your work as explained below:

1. (a) Create a word file and copy in it GUI's of all Tutorials after running with some real data and source code plus GUI of Sales Tax Problem 3 on p. 37 after running with real data, and answers to Review Exercises (see Item 4). Save this word file as *Smith\_Asisgn\_01*, where *Smith* is your last name.
2. Your *Assign\_01* work folder submitted through the "Assign 01 Drop Box" in ANGEL (Not required for this Assignment).

**Note:** Handout for submitting an assignment on ANGEL can be downloaded from my course website in ANGEL for future assignments.

1. **Reading:** Read p. 1-34 as you complete each of the Tutorials in this chapter.
2. **Tutorials:** Complete **All Tutorials** in this Chapter as you go through the reading material and copy each Tutorial's GUI in a word file as explained above.

**Special Instructions for Tutorials 1-4:** (a) In Step 5 on p. 22, leave Option Strict Off be set for time being. (b) In Step 9 on p. 24, save in the Chapter 1 folder on your flash drive or U:\ drive.

### 3. Programming Activities:

Page #	Problem #	Special Instructions
37	3	If you feel that you are expert, and then try to create this application otherwise <i>wait until we have done some projects in class from Chapter 2</i> . However, you should apply <i>six steps</i> suggested in problem # 1 on p. 37. Name your project <b>SalesTax Project</b> and rename the file Form1.vb to <b>SlaesTax.vb</b> . Save this file in your <b>Chapter 1</b> folder.

4. **Review Exercises:** Answers to even numbered problems may be posted on my website or in ANGEL.

Page #	Review Exercises	Problem #
p. 34-36	Fill-in-the-blank	All questions from 1-30
p. 34-36	Short Answer	7 only
p. 34-36	What Do You Think?	2 and 3

**Staple all printouts in proper order to this assignment sheet**
