To Whom It May Concern:

This is to confirm that

Dr. Ping ZHANG from the
Institute of Computer Science and Technology
Chongqing University of Posts and Telecommunications
Chongqing, P.R. China

has a paper accepted at the International Symposium on Computational Modeling of Objects Presented in Images: Fundamentals, Methods, and Applications (CompIMAGE’16) which will take place in Niagara Falls, NY, USA, September 21-23, 2016. Dr. Ping ZHANG has paid the symposium registration fees in full and plans to travel to the USA in order to attend CompIMAGE’16 and present the paper “Min-max procedure for finding polygon edges in 3D medical images.”

CompIMAGE’16 is a high quality workshop attracting participants from various countries all over the world. More information about CompIMAGE’16 can be found at www.cs.fredonia.edu/barneva/CompIMAGE16.

This letter is issued for the purpose of expediting the U.S. visa processing. Please, do not hesitate to contact me at (716) 673-4750 (or email me at CompIMAGE@gmail.com) if you have any questions or need additional information.

Sincerely,
